CONTENTS

Part 1

Team Structure & Responsibilities

Founders, management, outlet roles, and the weekly board meeting report.

Part 2

Staff Guidelines (SOP)

Permanent rules — read once, follow always.

Part 3

Daily Checklists

Tick off every shift: Opening, Mid-Shift, Closing, Marketing.

Part 4

Weekly Checklists

Deep cleaning, central kitchen, technical updates, marketing.

Part 1 — Team Structure & Responsibilities

Mandatory duties for the core team and outlet management. These run continuously, not as a daily tick-list — each role owns its area without fail.

Daily Founder Morning Meeting

- Marshad, Nufoor, and Sinan meet every morning without fail.
- Review the previous day's performance, issues, and priorities for the day.

Weekly Founder Reporting — For the Board Meeting

Separate from the day-to-day duties below — each founder brings this report to the weekly board meeting.

★ Marshad — Weekly Report

- Which outlets are performing well vs. poorly.
- Which items are fast-moving vs. slow-moving, and which items are used/selling the most.
- Suggestions for improvement.
- Current financial position — profit or loss.
- Weekly operational cost report.

★ Nufoor — Weekly Report

- Weekly plan for the coming week, prepared before the meeting.
- Weekly marketing plan made together with Zaid.
- Overall weekly staff update.
- Monthly: at least one new food item must be launched — report progress.

★ Sinan — Weekly Report

- Suggestions and feedback from franchise owners.
- Staff report, including franchise outlet staff attendance.
- Overall outlet report.

Founders — Individual Responsibilities

Support & Outlet Roles

Accountant

Reports to: Marshad

- Handle day-to-day accounting entries and bookkeeping.
- Reconcile daily cash and sales against POS records.
- Process supplier payments and verify purchase bills.
- Maintain expense and payment records.
- Support Marshad with monthly financial and inventory reporting.

Marketing Staff — Zaid

Reports to: Nufoor

- Execute marketing campaigns and content.
- Manage social media posting, offers, and promotions.
- Coordinate marketing activities and launches with each outlet.
- Track campaign performance and share results.
- Support collection of customer feedback for marketing insights.
- Own all technical/platform updates — Google Maps, WhatsApp (Business, Channel, Catalog), TV display, and dual screen background.

Manager — All Staff & Outlets

Reports to: Founders

- Oversee all outlet staff across every location.
- Ensure SOP and checklist compliance is followed at every outlet.
- Manage and support the Supervisor at each outlet.
- Handle escalations that a Supervisor cannot resolve.
- Review daily and weekly reports from every outlet Supervisor.
- Coordinate staffing and scheduling across all outlets.
- Ensure consistent standards and service quality company-wide.

Supervisor — One per Outlet

Reports to: Manager

- Run and verify the daily Opening, Mid-Shift, and Closing checklists at the outlet.
- Ensure outlet staff follow SOP and hygiene standards.
- Manage day-to-day staff at the outlet, including attendance and task allocation.
- Prepare and maintain staff shift scheduling and rotation at the outlet.
- Be the first point of contact for outlet-level issues.
- Report stock shortages, equipment issues, and other problems to the Manager immediately.
- Confirm checklist completion before shift handover.

Part 2 — Staff Guidelines (SOP)

Permanent rules. Every staff member reads this once during onboarding and follows it at all times — it is not something you tick off.

A. Store Operations

- Open and close the store on time.
- Keep the store clean and organized throughout the day.
- Respond to customer calls and WhatsApp messages promptly.
- Ensure all online delivery platforms remain active and accepting orders.
- Report issues to the supervisor immediately.
- Never leave tasks unfinished for the next shift.

B. Stock Management

- Always refill items before they run out.
- Follow FIFO (First In, First Out).
- Remove expired or damaged products immediately.
- Keep all containers labeled and closed.
- Report low stock immediately.
- Keep packaging materials organized.

C. Kitchen Rules

- Clean all kitchen equipment and utensils before opening.
- Keep ingredient containers closed and covered at all times — close lids immediately after use.
- No cardboard boxes or unnecessary waste inside the kitchen.
- Remove all empty or used containers from the kitchen every day.
- No leftover food unless approved and properly labeled.
- Discard expired or spoiled items immediately.
- Keep the kitchen door closed at all times.
- Wash utensils, knives, spoons, and equipment immediately after use.
- Keep workstations and sinks clean throughout the day and after every shift.
- Keep all ingredients organized and properly labeled.

D. Cleaning Standards

- Clean as you work — never wait until closing to clean spills.
- Empty bins before they overflow.
- Keep the wash basin clean.
- Keep floors dry and safe.
- Maintain a pleasant fragrance in the store.
- Keep the fly catcher switched on.

E. Staff Hygiene

- Wear the company cap at all times while working; keep hair fully covered.
- Wear a clean company T-shirt, apron, and suitable footwear every day.
- Maintain good personal hygiene and a neat, professional appearance throughout the shift.
- Keep fingernails short, clean, and trimmed.
- Wash hands before starting work, after the washroom, after handling waste, and whenever necessary.

- No jewellery (rings, bracelets, watches) while handling food.
- No eating, chewing gum, or tobacco use in the work area.
- No mobile phone use while preparing or handling food.
- Report illness, cuts, or injuries to the supervisor immediately.
- Follow all food safety and hygiene standards at all times.
